FAFPD Board Meeting  
November 18, 2014

- Called to order at 8:30 a.m.
- President Roozen is working on the formal request of business addresses that will be utilized to send out our end of year mailer. He will be turning it in after this meeting.
- Ad Hoc Director Kulp brought samples of request forms that we can use to create our own forms.
- Director Harrington has visited with HuHot Mongolian Grill about a December fundraiser. The event will be December 15th from 4:00 – 8:00. We will provide “celebrity” grillers and will receive 10% of sales plus tips.
- Director Kelsey spoke with Fuzzy’s Tacos about a possible event. They give us a 2-hour window on a Sunday, Monday, or Tuesday and we bus tables for tips and sell brownies that they donate to us. There are 60 brownies and they sell for \$5. We get 100% of that money plus the tips.
- Secretary Pribble will design a banner and a brochure to use at our events.
- Treasurer Jackson and Secretary Pribble met with representatives from FirstData to discuss using their company to collect donations electronically, both through the website and through a phone or tablet. After some discussion, President Roozen made a motion to select FirstData to do this work. Director Kelsey seconded the motion. It passed unanimously.
- A plan was developed to present the Hot Sticks to the fire department. Presentations were set for December 1st, 2nd, and 5th to present them to the firefighters during the morning briefing. There will be a formal presentation to the AFD Board of Directors at their January meeting.
